

Community Garden – Pea Patch

Vegetable gardening has many physical, health and social benefits. If you are short on yard space, lack adequate sunshine to grow veggies, or simply want to garden in a community atmosphere, we would love to hear from you.

The City of Mill Creek is currently looking at possible locations for a Community Garden/Pea Patch. The Garden site would be divided into individual plots, approximately 60 square feet each, available for rental on a yearly basis for a reasonable fee of approximately \$50. The City is still working out all of the details, but plans to have the Garden up and running by late Spring 2010.

Interested? Let us know! If you might like to participate, please email or call Camille Christ, Senior Planner, at camillec@cityofmillcreek.com or 425-921-5726. No commitment is required at this time – we'd just like to get an idea of the interest level in our community.
