CALL TO ARTISTS

The City of Mill Creek's Arts and Beautification Board is seeking artists to display their works inside City Hall and the Mill Creek Library.

The rotating art program seeks to present groups of visual works by resident artists of all cultures, techniques, and styles. The Board will judge each exhibition and only reviewed and approved works will be exhibited. Exhibiting artists may be asked to attend a Board meeting to provide more complete information about their exhibition. The Board will base their decisions on artistic merit, quality of artwork, appropriateness and diversity. Proposals must include information on the artist, and recent images of the proposed works, along with any brochures or other printed material which may be appropriate. All works are to be framed and the content must be of a nature that a public entity can display for the enjoyment of a family-type audience.

With this program the Arts & Beautification Board intends to increase public awareness, appreciation and understanding of visual arts through exhibits of quality work of emerging and professional local resident artists.
